Recruiting Night Plan

Objective: To gather parents and boys who are interested in Scouting in one place at one time for a brief orientation to the program and to collect applications for both youth and adults.

Goals: To collect applications for all youth and at least one adult for every youth

- To identify a den leader identified for each new den
- To ensure each parent will know the date/time/location of the parent meeting to follow
- To ensure each new leader will know the date/time/location of the next training opportunity.
